Dear Ashihara Branch Chief and affiliates

The time is slowly coming closer for the biggest event in Ashihara Karate. The Official World Championship off New International Karate Organization Ashihara Kaikan. **The 3rd Ashihara Sabaki World Championship**

The World Championship will be held in Romania from November 1 to 2- 2013. I am very proud that Romania member has taken this challenge upon his shoulders, to make this event possible.

I therefore hope that you will all support this big event in large numbers and send your best Fighters and Kata experts to Romania. This so that we can all enjoy Ashihara Sabaki Fighting and Kata in its best form.

As you are all aware off , there are many who claim to be Ashihara official branch without being it, this is a good place to show that we stand to together as family and develop the best Karate in the world.

During the tournament there will be held Branch Chief meetings were you all will have the possibility to meet with Me and we can talk about different matters. The agenda fore the meetings will be send out later this year.

Please already, think about who will take the challenge of organizing World Championship 2014.

I hope to see you all in Romania later this year.

Osu Best regards.
